Each exhibitor will be responsible for any injury that may be occasioned to any person, whomsoever, by any horse owned or exhibited by said exhibitor and shall indemnify the show, the management, the show committee and volunteers, the USEF Licensee, the USEF and USDF, or any member thereof, against all claims and demands, of any nature or kind, that may grow out of any injury occasioned by any horses owned or exhibited by them, or arise from the negligence of the person in charge of any horse. All horses exhibited in this show participate entirely at the owner's risk. Neither the Organizing Committee, show volunteers and staff, the facility or its owners, USEF or USDF or their members will be responsible for any damage, injury, or loss to persons, horses, or property of exhibitors or spectators. Class Descriptions

Opportunity: Opportunity Classes are for entry-level riders. Experienced riders on green horses are directed to the USDF Introductory tests rather than Opportunity. Please be familiar with USEF Rule GR821. Horses, riders, owners, trainers and coaches participating in Opportunity classes are exempt from Federation and affiliate organization membership and Horse Identification (HID) requirements and Show Pass fees, but are required to list the Federation membership number if the participant is a member or the horse has been assigned a HID or Recording number. Horses entered **only** in these classes are exempt from the Equine Drugs and Medication fee.

Opportunity riders/horses will be allowed to cross enter ONLY USDF Intro Level classes. However, if a horse or rider enters the recognized, non-opportunity classes of USDF Intro Level, all USEF and USDF membership requirements and applicable fees apply for horse, rider, owner, trainer, etc.

Opportunity classes do not count towards any award programs.

Prix Caprilli (Non-rated): A dressage test with jumps included. Appropriate protective headgear is required when jumping. It is understood that in the working gaits, a jumping horse is not expected to be as round on the bit as a competing Dressage horse. The horse must softly accept the bit and may show more "roundness" in the parts of the tests separate from the jumps. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced, the bell will be rung again telling the rider to continue from where he stopped. The tests may be called.

Training Level Prix Caprilli: is a test for horses with jumping experience showing Training Level Dressage or above - maximum height of fences 2 feet. Trot work to be done posting. Transitions into and out of the halt may be through the walk. Open to all riders except those competing solely in Introductory Level classes.

First Level Prix Caprilli: is a test for horses with jumping experience competing First Level and above - maximum height of fences 2'3". Unless otherwise noted, trot work may be done posting or sitting. When allowed to change leads the horse may do a flying change or change though the trot. The quality of the change is what matters. A copy of each test is included in the Appendix.

ADA Championship Classes: Five Championship Classes will be offered at the ADA Biggest Event Horse Show. The rider must be an ADA member and have paid the ADA Awards Program Fee to qualify. The membership and award fees must be received prior to any competition for which qualifying scores are recorded. To qualify, a minimum percentage must have been earned at a USDF/USEF show held in Alaska during the current competition year. Qualifying scores must be earned prior to the championship classes being held. Horses that qualify in more than one level are limited to competing in two consecutive levels. However, only one test may be chosen for the Third or Fourth Level class. Competitors should remember that there is a limit of three rides per day per horse including championship classes. Championship tests must be ridden from memory. Distinctive ribbons will be presented to sixth place for each of these classes. A Championship award will be presented for first place in each class. In the event of a tie, two Championship awards will be presented.

To qualify for the Championship classes:

- Training Level: One score of 55% or above in a Training Level Test 3 class.
- First Level: One score of 55% or above in a First Level Test 3 class.
- Second Level: One score of 55% or above in a Second Level Test 3 class.
- Third or Fourth Level: One score of 55% or above in a Third Level Test 3 class or one score of 55% in Fourth Level Test 3.
- FEI Level: One score of 55% in the FEI Level Test for which the rider will ride in the Championship class.

Tests to be ridden for the Championship class:

- Training Level: Training Level Test 3
- First Level: First Level Test 3
- Second Level: Second Level Test 3
- Third / Fourth Level: The rider is required to ride the highest test for the level at which he/she has qualified. (Either Third Level Test 3 or Fourth Level Test 3). If qualified at more than one level in this category, it is the rider's choice which ONE of those levels he/she will enter.
- FEI Level: FEI Level test at which the rider qualified.

Coach

A coach is any adult or adults who receives remuneration for having or sharing the responsibility for instructing, teaching, schooling, or advising a rider, driver, handler or vaulter in equestrian skills. See also USEF GR 906.4 and GR 908.

Dressage Attire

Neatness is the first requisite. The dress code for Training through Fourth Levels is a short riding coat of conservative color, with tie, choker, stock tie or integrated stand-up collar, white or light-colored breeches or Jodhpurs, boots or Jodhpur boots, and protective headgear as defined in USEF DR 120.6 and in compliance with USEF GR 801. A cutaway coat (modified tailcoat) with short tails is permitted. Half chaps, gaiters, and/or leggings are not allowed. Gloves of conservative color are recommended. Exception: Riders through First Level may wear half-chaps, gaiters or leggings in solid black or brown, without fringe, matching the color of their boots, and made of smooth leather or leather-like material. Formal coats with tails are only to be worn above Fourth Level. For more specifics on dress requirements, see USEF DR 120.

Management may announce prior to or during a competition that competitors can show without jackets due to extreme heat and/or humidity. If jackets are waived, competitors must wear a shirt with sleeves and collar, without neckwear, and without decoration. Eliminations are mandatory for all dress code violations as specified in USEF rules.

Management may in its discretion bar any person from entering the ring that is not suitably presented to appear before an audience.

Dressage Show Protocol

Competitors are notified that any act of discourtesy to the judge or officials by themselves on the part of owner, lessee, agent, trainer, coach or groom shall disqualify the horse, and all entry and other fees shall be forfeited.

In all Dressage classes, competitors must be ready to enter the arena at the scheduled time. Failure to begin the test within 45 seconds after the judge's signal results in elimination. No rider will be required to ride before the scheduled time.

Assigned numbers must be worn at all times when a horse is being exercised or ridden. Numbers may be placed on the bridle, halter, boots or saddle pad.

One whip no longer than 47.2 inches (120 cm), including the lash, may be carried during warm-up and in all USEF recognized classes. See USEF DR 120.6.

An English type saddle with stirrups is compulsory for Federation and USDF tests. In Training, First and Second Level tests, a plain snaffle bridle with a noseband is required. In Third and Fourth Level tests, a double bridle may be used. For more specifics on equipment requirements, see USEF DR 121.

Most tests may be called during the competition. ADA Championship tests, FEI tests and Freestyle rides must be ridden from memory. Announcing the tests is limited to reading the movement as it is written, once only.

Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

This competition is recognized by USDF for 2021

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program. **Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. USEF GR845 Equine Vaccination Rule

Effective December 1, 2015

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhino-pneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
