ADA Dressage Seat Medal

Open to Junior and Amateur riders. Riders will earn a median score on two different horses at two different levels. The median score from each horse will be averaged together. This final average must be at least 60%. This award may only be earned once by any given rider/horse/horse combination. More than one rider/horse/horse combination may earn the award in any given year. Qualifications for the Medal are as follows:

- The rider must be an ADA member and have paid the ADA Awards Program Fee prior to any competition for which scores are earned.
- A rider must earn scores on two different horses and at two different levels (not necessarily consecutive levels).
- A minimum of six scores from USEF-licensed/USDF-recognized competitions must be earned on each horse. If one of the test levels being ridden is FEI, only three scores will be required from that horse.
- Scores must be earned at a minimum of three shows and from three different judges.
- At least one score on each horse must be at the highest test of the level and be a minimum score of 55%. If one of the test levels being ridden is FEI, one score must be a minimum of 55%.
- No more than two of the six scores on each horse may be of Test 1 of the level; exception is FEI level.

All eligible scores will be recorded for each horse on which the rider earns scores, however, only the top two scores from each individual judge for each horse will count toward the median score calculation. If only one score is earned from an individual judge that score will count toward the median score. The scores from the highest test of the level are not required to be included in the median. The median score is the score exactly between the highest and lowest scores when all scores are ranked from highest to lowest. For an even number of scores, the two middle scores are averaged.

At The Show Awards

All show entrants are eligible to win class ribbons.

- Ribbons are awarded to 6th place for all classes. Ties will remain tied.
- High score and reserve high score ribbons will be presented for each junior, adult amateur, and open rider earning the highest score in:
 - Introductory Level
 - Training Level
 - First Level
 - Second Level
 - Third/Fourth Level
 - FEI
- A high score ribbon will be presented for the rider earning the highest score in Prix Caprilli and Musical (including Pas de Deux and quadrille) classes.

2024 Show Rules and General Information

This show, the management, the USEF Licensee, and the facility will not be responsible for any loss or damage or injury to horses exhibited, or for any article of any kind or nature that may be lost or destroyed, or in any way injured. Each exhibitor will be responsible for any injury that may be occasioned to any person, whomsoever, by any horse owned or exhibited by said exhibitor and shall indemnify the show, the management, the show committee and volunteers, the USEF Licensee, the USEF and USDF, or any member thereof, against all claims and demands, of any nature or kind, that may grow out of any injury occasioned by any horses owned or exhibited by them, or arise from the negligence of the person in charge of any horse. All horses exhibited in this show participate entirely at the owner's risk. Neither the Organizing Committee, show volunteers and staff, the facility or its owners, USEF or USDF or their members will responsible for any damage, injury, or loss to persons, horses, or property of exhibitors or spectators. All owners and competitors are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

Arenas

Competition and warm-up arenas are sand or a sand/rubber mix. All tests will be ridden in a standard sized (20m x 60m) competition arena.

Class Descriptions

Opportunity: Opportunity Classes are for entry-level riders. Experienced riders on green horses are directed to the USDF Introductory tests rather than Opportunity. Please be familiar with USEF Rule GR821. Horses, riders, owners, trainers and coaches participating in Opportunity classes are exempt from Federation and affiliate organization membership and Horse Identification (HID) requirements and Show Pass fees, but are required to list the Federation membership number if the participant is a member or the horse has been assigned a HID or Recording number. Horses entered **only** in these classes are exempt from the Equine Drugs and Medication fee.

Opportunity riders/horses will be allowed to cross enter ONLY USDF Intro Level classes. However, if a horse or rider enters the recognized, non-opportunity classes of USDF Intro Level, all USEF and USDF membership requirements and applicable fees apply for horse, rider, owner, trainer, etc.

Opportunity classes do not count towards year-end award programs.

Prix Caprilli (Non-rated): A dressage test with jumps included. Appropriate protective headgear is required when jumping. It is understood that in the working gaits, a jumping horse is not expected to be as round on the bit as a competing Dressage horse. The horse must softly accept the bit and may show more "roundness" in the parts of the tests separate from the jumps. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced, the bell will be rung again telling the rider to continue from where he stopped. The tests may be called.

Training Level Prix Caprilli: is a test for horses with jumping experience showing Training Level Dressage or above - maximum height of fences 2 feet. Trot work to be done posting. Transitions into and out of the halt may be through the walk. Open to all riders except those competing solely in Introductory Level classes.

First Level Prix Caprilli: is a test for horses with jumping experience competing First Level and above - maximum height of fences 2'3". Unless otherwise noted, trot work may be done posting or sitting. When allowed to change leads the horse may do a flying change or change through the trot. The quality of the change is what matters. A copy of each test is included in the Appendix.

ADA Championship Classes: Five Championship Classes will be offered at the ADA Biggest Event Horse Show. The rider must be an ADA member and have paid the ADA Awards Program Fee to qualify. The membership and award fees must be received prior to any competition for which qualifying scores are recorded. To qualify, a minimum percentage must have been earned at a USDF/USEF show held in Alaska during the current competition year. Qualifying scores must be earned prior to the championship classes being held. Horses that qualify in more than one level are limited to competing in two consecutive levels. However, only one test may be chosen for the Third or Fourth Level class. Competitors should remember that there is a limit of three rides per day per horse including championship classes. Championship tests must be ridden from memory. Distinctive ribbons will be presented to sixth place for each of these classes. A Championship award will be presented for first place in each class. In the event of a tie, two Championship awards will be presented.

To qualify for the Championship classes:

Dressage Attire

Effective December 1, 2021 USEF Dressage Rules (DR) changes have gone into effect regarding allowed attire.

- Neatness is the first requisite. Eliminations are mandatory for all dress code violations as specified in USEF rules. Additionally, Show Management may in its discretion bar any person from entering the ring that is not suitably presented to appear before an audience. Please reference USEF DR-120 for detailed descriptions, and view a [Visual Guide to 2022 Dressage Attire](#).
- Coats and Jackets - A short riding jacket is permitted at any level of competition. A tailcoat is permitted in all classes above Fourth level. Any single-color jacket/tailcoat is permitted and may have subtle pin striping, checks or tweeds. Tasteful and discreet accents are acceptable.
- Breeches and Jodhpurs - White, light, or dark colored breeches or jodhpurs are permitted in competition. Bright colors or patterns are not permitted. Contrast piping is allowed.
- Shirts and Neckwear - Shirts with tie, choker, stock tie, or integrated stand-up collar are required. Ties, chokers, or stock ties may be any color.
- Boots & Half Chaps - For tests or classes at Fourth level or below, riders may wear tall boots or paddock/jodhpur boots with half-chaps or garters, matching the color of their boots, and made of smooth leather or leather-like material. Tall English-style riding boots are required above Fourth Level. Boots of coordinating color(s), with or without accents, are permitted.
- Gloves- White or light-colored gloves are recommended and any solid color is permitted at Fourth Level and below. Black, brown, or white gloves are required in FEI tests or levels.
- Management may announce prior to or during a competition that competitors can show without jackets due to extreme heat and/or humidity. If jackets are waived, competitors must wear a shirt with sleeves and collar, without neckwear, and without bold pattern. Eliminations are mandatory for all dress code violations as specified in USEF rules.
- Saddle pads - When used, saddle pads should be white or of conservative color (not bright, shiny or reflective). Contrast color and piping are permitted. Striped or multi-colored pads are not permitted.

Dressage Show Protocol

Competitors are notified that any act of discourtesy to the judge or officials by themselves on the part of owner, lessee, agent, trainer, coach or groom shall disqualify the horse, and all entry and other fees shall be forfeited.

In all Dressage classes, competitors must be ready to enter the arena at the scheduled time. Failure to begin the test within 45 seconds after the judge's signal results in elimination. No rider will be required to ride before the scheduled time.

Assigned numbers must be worn at all times when a horse is being exercised or ridden. Numbers may be placed on the bridle, halter, boots or saddle pad.

One whip no longer than 47.2 inches (120 cm), including the lash, may be carried during warm-up and in all USEF recognized classes. See USEF DR 120.6.

An English type saddle with stirrups is compulsory for Federation and USDF tests. In Training, First and Second Level tests, a plain snaffle bridle with a noseband is required. In Third and Fourth Level tests, a double bridle may be used. For more specifics on equipment requirements, see USEF DR 121.

Most tests may be called during the competition. ADA Championship tests, FEI tests and Freestyle rides must be ridden from memory. Announcing the tests is limited to reading the movement as it is written, once only.

Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with correct applicable numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of the competitors who fail to supply correct numbers may not be counted toward national awards.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then

required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USEF GR844 Equine Vaccination Rule

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
